

Introduced by Senator Perata

December 22, 2006

An act relating to transportation.

LEGISLATIVE COUNSEL'S DIGEST

SB 45, as introduced, Perata. Transportation funds for capital projects and capital expenditures.

Existing law, the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, approved by the voters as Proposition 1B in the November 2006 general election, establishes the Highway Safety, Traffic Reduction, Air Quality, and Port Security Fund of 2006 in the State Treasury. Specified moneys in the fund are required to be deposited in the Transit System Safety, Security, and Disaster Response Account to be made available, upon appropriation by the Legislature, for capital projects that provide increased protection against a security and safety threat, and for capital expenditures to increase the capacity of transit operators to develop disaster response transportation systems.

This bill would state the intent of the Legislature to enact legislation that would establish the application process for allocations from the Transit System Safety, Security, and Disaster Response Account.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would establish the application process for
- 3 allocations from the Transit System Safety, Security, and Disaster

- 1 Response Account, established in subdivision (h) of Section
- 2 8879.23 of the Government Code.
